Units	Description	Article No.	Price/unit incl. VAT
	Silberbauer PS3 Point detector for Acupuncture points, 1 pc	A67010	169,00 €
	Veterinary probe for Silberbauer PS3 Point detector, 1 pc	A67011	19,90 €

Electrical point detector with rigid tip, optical and acoustic indicator. It functions by measuring the skin resistance. No calibration is required for each patient. Made by Silberbauer in Austria. The pen tip is applied close to the acupuncture point and perpendicular to the skin surface. There is no need for a sensitivity adjustment of the probe. The search direction is indicated by increasing or decreasing blinking and the sound frequency. size: 14 cm x Ø1,5 cm, weight: 60 grams with the supplied battery.

	SVESA 1070 Point detector for Acupuncture points, 1 pc	A67012	119,00 €
--	---	--------	-----------------

Electrical point detector with rigid tip and optical display. It functions by measuring the skin resistance. A new calibration procedure is required for each search area. size: 17 cm x Ø1,5 cm, weight: 55 grams with the supplied battery. CE-certified.

	SVESA 1025 Veterinary Point detector for Acupuncture points, 1 pc	A67013	169,00 €
--	--	--------	-----------------

Electrical point detector with rigid tip and optical display. A new calibration procedure is required for each search area. The sensitivity is preset as a function of the skin resistance by rotating the pin head from level 0 to 9. The connection is made via the doctor's hand while the the free other hand touches the skin of the animal. size: 21 cm x Ø3 cm.

	Agiscop DT Point detector, Sedatelec	A67014	649,00 €
--	---	--------	-----------------

The Agiscop DT measures, with extreme accuracy, the electrical resistance of a point on the skin and its immediate environment, and isolates the point by comparing these two measurements. This is "differential" detection. The Agiscop DT can also perform electrical stimulation of found points. Choose between two frequencies, 1.14 and 73 Hz, respectively tonic and dispersing, and two energy levels 0.15 and 1.5uJ per pulse. The Agiscop DT is composed of a handheld electronic box connected to a sensor and a grounding handle.

	Agiscop D Point detector, Sedatelec	A67015	429,00 €
--	--	--------	-----------------

Differential detection by coaxial electrode sensor. No additional stimulator is integrated.

TDP-minerals IR healing lamps: single/double head/intensive

Special TDP Infrared (IR) lamp for healing and paintherapy from the traditional Chinese medicine. It emits special electromagnetic waves (in Chinese Teding Diancibo Pu, "TDP") when a special mineral plate coated with about 33 different minerals is heated up to about 280 degrees Celsius. A digital timer, a height adjustable vertical pole, a spring arm and a rolling base is included. CE-registered, 250 Watt. Made in China.

	TDP-minerals IR healing lamp, single head with 16,6 cm plate, 1 pc	A69001	249,00 €
	TDP-minerals IR healing lamp, double head with 16,6 cm plate, 1 pc	A69002	309,00 €
	16,6 cm mineral plate for TDP-minerals IR healing lamp, 1 pc	A69010	43,90 €
	TDP-minerals IR healing lamp intensive, single head with 3x7,8 cm plate, 1pc	A69003	389,00 €
	7,8 cm mineral plate for TDP-minerals IR healing lamp intensive, 3 pcs	A69011	52,90 €
	Zhoulin WS-311 Bio-Spectrum Treatment Device, 1 pc	A00000	219,00 €

The Zhou Lin Bio-Spectrum Treatment Devices are physiotherapeutic apparatuses of electromagnetic irradiation with a wide spectrums. The main energy zone is located in the infrared band (major resource) and extends to microwave (very weak). These precious effects stimulate blood circulation, restores and maintains one's physical and biological balance. Specifications WS-311: counter-top model, power: 230V, 50Hz - 60Hz, 160 W; Main spectrum range: 0.5 - 24µm, including to weak millimeter wave, life of generator: > 5000 hours, net weight: 1.4 kg.

	Zhoulin WS-101 Bio-Spectrum Treatment Device, 1 pc	A69250	499,00 €
--	---	--------	-----------------

The WS-101 is a versatile standalone device that can be applied on virtually all parts of the body. It is adjustable in terms of height and angle. With strong power, its radiation covers wide areas of the body, such as the shoulder, chest, waist, abdomen and back. Specifications: Power: 220V / 110V (50 —60Hz), 280 W; life of generator: > 5000 hours, Main spectrum range: 0.5-24µm (including weak millimeter wave); Weight: 5.5 kg.

	Zhoulin WS-111 Bio-spectrum Treatment Device, 1 pc	A00000	799,00 €
--	---	--------	-----------------

Specifications WS-111: Power: 230 V ~, 50 Hz, 160 W; life of generator: > 5000 hours, Timer range: 0~60 min; Surface temperature of irradiators: ≥180 C; Weight: 9.5 kg; Size: 642x452x140 mm

	Mineral plate for Zhoulin WS-111 Bio-spectrum Treatment Device	A00000	279,00 €
--	--	--------	-----------------

All prices incl. VAT. Minimum order value: 50 €. Delivery charges: 9 €. Orders above 150 € are shipped free of charge.

Units	Description	Art. No.	Price/unit incl. VAT
	Infrared-Moxa-Device M3, Silberbauer, made in Austria, 1 pc	A00000	749,00 €

Moxa therapy without odours! For treatment of Acupuncture Points and Points of Pain. The Infrared Moxa Device M3 acts effectively beneath the skin without odours, fast and safe. The infrared beam goes through the skin and heats deeper layers. If you burn Moxa cigars or Moxa Cones you heat only the skin surface. Acupuncture points in the depth cannot be reached and so not treated (enough). Moreover, using fire poses some danger.

	PREMIO 10 infrared moxa device, Sedatelec, made in France, 1 pc	A69100	920,00 €
--	--	--------	-----------------

Heat is locally applied using infrared radiation with a 'moxa-like' spectrum. Thereby the sensations and results of the traditional moxibustion is created with no smoke, no ash and no odor. "Thermic Needle" Effect: With the Concentrateur focus on a point to achieve your action of tonification or dispersion. Auricular therapy: You treat accurately a point or an area in a few seconds. Stimulate other receptors using this original and secure technique. Trigger points, Local treatments: Apply a penetrating heat precisely on trigger points, or on a painful area, relieving stiffness. Take advantage of all the benefits of medium and long infrared, for muscle and joints chronic disorders.

	Hwato SDZ-II Electronic Acupuncture Nerve & Muscle Stimulator, 1 pc	A69061	139,00 €
--	--	--------	-----------------

Six output channels, New IC circuitry, no cross over, no interference. Continuous, intermittent and dense-disperse (modulated) wave forms. Adjustable frequency: 1~100 Hz. Durable alligator clip wires. Timer 0 ~ 60 minutes. Output Pulse Amplitude 0 ~ 50V (on 500 ohm load), adjustable. Pulse frequency Continuous wave : 1~100 Hz, break-wave time is 5 seconds, dense-disperse wave: spacing wave frequency is 1/5 of density frequency, Density wave frequency adjustable in 5~100 Hz. Pulse width 1 ms, Pulse wave un-symmetry two-direction pulse wave. Wave form adjustable, dense-disperse, and intermittent Power Source DC 9V (CR14, UM2), or AC adaptor Output Jack 3.5 mm diameter jack, Unit Dimensions 260 x 190 x 110 mm.

	Hwato SDZ-III Electronic Acupuncture Nerve & Muscle Stimulator, 1 pc	A69060	169,00 €
--	---	--------	-----------------

6 output channels which allow a maximum of 12 needles to be stimulated simultaneously. It has a timer and adjustable frequency levels. Modern micro computer technology is combined with Traditional Chinese Medicine Acupuncture and Meridian Theory. The device is used for applying low frequency pulses to stimulate acupoints of the human body. It may be used to apply an electrical current to electrodes on the patient's skin to treat pain (TENS) and can be used in combination with acupuncture needles. The power output (micro-current intensity) is adjustable to suite patient's condition and tolerance. The unit is powered by six "C" batteries (1,5 Volt) or the accompanying AC adapter.

	AS SUPER 4 Electronic Needle Stimulator, schwa-medico, 1 pc	A69065	289,00 €
--	--	--------	-----------------

4 Channel output – up to 8 needles, 30 fixed programs (including HAN and Dr. Nogier), 7 free programs, where frequency, pulse width and therapy time can be modified. Each program group comprises several subprograms. Contains Han and Nogier programs. Sound ON/OFF. Locking keypad function. AKS for skin protection. Display indicates battery level. Possibility to pause the stimulation. Very small & lightweight crocodile clip needle attachment. Battery operation or mains supply (European plug). Supplied with 4 coloured lead wires, 4 AAA batteries, mains circuit adaptor and operating manual. Output current: max: 20 mA (with a load resistor of 1k). Frequency range: 1-120 Hz. Impulse width: 50-300 s. Power supply: mains supply transformer or 4 x 1.5 V battery. Dimensions: 175 x 113 x 45 mm. Weight approx.: 191 g (without batteries)

	schwa-medico Pointoselect digital DT & electrostimulator, 1 pc	A69005	379,00 €
--	---	--------	-----------------

	schwa-medico Pointoselect digital without electrostimulator, 1 pc	A69006	299,00 €
--	--	--------	-----------------

With automatic and manual point search and integrated electrostimulator. An exact acupuncture point detector is indispensable for localizing pathologically changed acupuncture points on the ear and body. This ideal point searcher provides sophisticated electronics on one hand and perfectly working mechanics on the other hand. The new digital Pointoselect Digital DT combines digital technology with schwa-medico's proven sensors and allows electrical "PuTens" stimulation. Frequency, pulse width and intensity can be set up by the acupuncturist at his/her convenience. Pointoselect Digital DT further includes frequencies after Dr. Bahr and Dr. Nogier. Pointoselect digital DT offers the possibility to switch between body acupuncture points and ear acupuncture points. For the ear acupuncture points you can further choose searching for gold or silver acupuncture points.

	Sanitas SEM 40 Digital EMS/TENS unit, Germany, 1 pc	A69033	39,90 €
--	--	--------	----------------

	Sanitas adhesive electrodes 45x45 mm, 8 pcs	A69034	16,49 €
--	--	--------	----------------

3 in 1: TENS (nerves, pain), EMS (muscle), massage (relaxation). 4 self-adhesive electrodes 45 x 45 mm incl. (2 separately adjustable channels). 30 pre-programmed applications (TENS/EMS/massage). 20 individualized programs (TENS/EMS), personal therapy program, treatment time adjustable (5 - 90 minutes)

	OMRON E2 Elite TENS unit, Japan, 1 pc	A69040	89,00 €
--	--	--------	----------------

9 treatment programs, 4 adjustable treatment zones (shoulders, feet, calves and back), 4 massage types (tapping, kneading, squeezing and rubbing), 10 intensity levels, Washable Long Life pads, 1200 Hz-treatment for the relief of acute pain, Soft mode, Area and point treatment, Incl. batteries

	OMRON E4 TENS unit, Japan, 1 pc	A69041	119,00 €
--	--	--------	-----------------

12 treatment programs (particularly for the shoulders, back, joints, arms / legs and soles), 6 treatment zones (adjustable), 4 massage types, 10 intensity levels, Short and long frequencies adjustable, Soft mode, Hyper mode, Area and point treatment, Long life pads (washable), Incl. batteries.

	Omron TENS Long Life Pads for E2 and E4 TENS units, 2 pcs	A00000	24,90 €
--	--	--------	----------------

All prices incl. VAT. Minimum order value: 50 €. Delivery charges: 9 €. Orders above 150 € are shipped free of charge.

Units	Description	No.	Price/box	Art. No.	Price/unit incl. VAT
	TENStem eco basic, schwa-medico, 1 pc			A69007	99,00 €

Digital 2-channel TENS unit, 12 pre-set programs for pain management, muscle stimulation and relaxation, 3 free programs for own settings, Pain relief programs: burst, low/high frequency, frequency modulation, Special HAN stimulation program for highest pain relief, 1 pre-set + 1 free program for muscle stimulation, Dynamic stimulation program for relaxation and massage, Integrated AKS (controlled output short circuit) for enhanced skin protection, Belt clip for easy therapy at home, Detailed instruction manual with pictures of electrode positioning

	TENStem eco schwa-medico, 1 pc			A69008	199,00 €
--	---------------------------------------	--	--	--------	-----------------

TENStem eco is a robust unit specially designed for intensive pain relief treatment at home, in clinics or hospital. 12 pre-set programs with parameters like Burst, Modulation, High frequency stimulation, Kaada stimulation, HAN stimulation, Muscle stimulation, Dynamic stimulation, etc.. All programs can be edited and reprogrammed. TENStem eco further include a "retriebe back" feature in order to control if the patient has been using the unit or not. Output power: 70 mA (at 1 kOhm real)

RAC Diagnostics

	3 volt hammer, 1 pc	43,90 €
	Lithium battery for 3 volt hammer, 1 pc	9,99 €

Plastic housing, +/- pole: blue/red, 3-volt lithium battery. When the positive pole of the hammer is placed in the vicinity of a point without touching the skin, which itself has a negative charge, an electrostatic charge is caused. The same applies to the negative pole in the vicinity of a positively charged point. The 3 volt-hammer has no controls, it is operational at all times. weight: 20g incl. battery, CE-certified, made in Germany.

	Magnetic hammer, 1 pc	33,90 €
--	------------------------------	----------------

Plastic hammer with 2 permanent magnets, N/S poles in red/blue.

	Black/white hammer, 1 pc	19,90 €
--	---------------------------------	----------------

Used to determine the metal of the applied needle, with which the point should be treated. In the case of biotic points, a positive RAC means that the black side will active while the white side will have a sedative effect. Antibiotic points respond in reversed way.

	300 volt rod, 1 pc	349,00 €
--	---------------------------	-----------------

Conductively coated plastic housing, isolated in the middle, 100 x 3 volt lithium batteries. Electric rods increase the electrical contrast of the natural acupuncture point. Thereby it is possible to detect low-energy points, the oscillation is counteracted and the auricular diagnostic possibilities are very much refined. In particular the 300 V rod is helpful with the search for energy losses in patients.

	9 volt rod, 1 pc	74,90 €
--	-------------------------	----------------

Conductively coated plastic housing, isolated in the middle, 9 V block battery. 1.5 m cable and RAC probe is included. Electric rods increase the electrical contrast of the natural acupuncture point. Thereby it is possible to detect low-energy points, the oscillation is counteracted and the auricular diagnostic possibilities are very much refined. In particular the rod is helpful with the search for energy losses in patients.

	9 volt block, 1 pc	49,90 €
--	---------------------------	----------------

Cube shaped metal box to be placed on the skin, +/- side, 9 volt block battery. The electrical contrast of the natural acupuncture point is increased. Thereby it is possible to detect low-energy points, the oscillation is counteracted and the auricular diagnostic possibilities are very much refined. In particular the cube is helpful with the search for energy losses in patients.

	3 volt frequency hammer, 1 pc	199,00 €
--	--------------------------------------	-----------------

	Magnetic coil for 3 volt frequency hammer, big, diameter: 6.5 cm, 1 pc	89,90 €
--	---	----------------

	Magnetic coil for 3 volt frequency hammer, small, diameter: 4 cm, 1 pc	69,90 €
--	---	----------------

The proven 3-volt hammer is significantly upgraded by the frequencies of Bahr, Nogier Reininger as a diagnostic tool. A free frequency selection between 1-999999 Hz is possible (e.g. the chakra frequencies). The output voltage can be individually set from 2 to 15 volts (in 0.1 V steps). The frequency-hammer is therefore an inexpensive and multifunctional device for the diagnosis in acupuncture and auriculotherapy. The magnetic coil is the diagnostic FREQUENCY-FROG by Heck & Bähmann. Made for the 3 volt frequency hammer. Made in Germany

All prices incl. VAT. Minimum order value: 50 €. Delivery charges: 9 €. Orders above 150 € are shipped free of charge.

acupuncture products

A revolutionary new needle delivery system from Dr. John Stan (US), the **TeWa Safe-T-Sleeve** ensures 100% adherence to clean needle protocols while maximizing patient comfort. Each acu. needle comes in its own unique **two-part tube** that allows for the **insertion of longer needles with ease**. Comprised of a short guide sleeve fitted to the exterior of the longer insertion tube, it allows the practitioner to insert the needle into the dermis, then remove the inner insertion tube and utilize the guide sleeve that remains in place to complete insertion to the correct depth, all **without compromising the sterility** of the needle shaft.

boxes	Description (size)	Article No.	Price/box incl. VAT for orders		
			1 Box	5 Boxes	10 Boxes

coated TeWa Safe-T Sleeve acupuncture needles with tube, copper coiled loop-end handle, Chin. style

	TeWa CJ-Type 1840 Safe-T	0,18x40 mm	A27601	6,49 €	5,99 €	5,49 €
	TeWa CJ-Type 2040 Safe-T	0,20x40 mm	A27602	6,49 €	5,99 €	5,49 €
	TeWa CJ-Type 2240 Safe-T	0,22x40 mm	A27603	6,49 €	5,99 €	5,49 €
